All College fees will be paid via a direct debit order from either your nominated credit card or bank account. Any changes to your account details should be communicated to directdebit@collect4u.com.au.

If you registered up to and including December 20, 2021, the deposit needs to be paid by 23 December, 2021. If you registered between December 21, 2021 and January 23, 2022, the deposit needs to be paid by January 24, 2022.

If you want to pay in full, the balance is due on December 23, 2021 and January 24, 2022 respectively, based on when you register.

FINANCE INFORMATION

Application Fee

*Due to the impact of COVID-19, we have updated our Refund Policy for application fees. Please see above for more details. (Normally this fee is non-refundable). As part of the application process, you will be required to pay an application fee, which covers the costs associated with processing your application.

Deposit

*Due to the impact of COVID-19, we have updated our Refund Policy for deposits. Please see above for more details. (Normally, deposits are non-refundable and non-transferable.) Your deposit counts towards your tuition costs for the year and secures your place in school.

Scholarships

Glow College does NOT currently offer any scholarships for students. However, Sponsorships may become available, as sponsors decide who they wish to sponsor. Speak to the Glow College Team for more information.

Unpaid College Fees

All College fees will be paid via a direct debit order from either your nominated credit card or bank account. If your direct debit fails due to insufficient funds available, you may be charged dishonoured fees by both the College and your financial institution. If fees are outstanding for more than 60 days without a College approved payment plan in place, your overdue account may be referred out to Collect 4U, an external debt collection agent. Fees may also apply.

Instalment Plans

Instalment plans are only offered to domestic students who have paid at least their deposit and first payment. This will only be considered in exceptional situations of hardship and needs the approval of the Glow College Principal.

Mission Trip Requirements

Each student is required to participate on a mission trip as part of the school year. Trip costs range from \$1000 - \$4,000. Applications for mission trips open late February.

Donations

After being accepted into Glow College, students have access to a donations page, from which donors can make payments directly into tuition accounts. Ask Glow College Team for the QR Code / link.
